This amigurumi is worked with well-adjusted  
stitches and for the most part in a spiral  
shape, it is not necessary to close each round  
unless told to do so, you need to be careful  
and always mark the beginning of each  
round. It is necessary to read the entire  
pattern before beginning.

In the product description, before buying this  
pattern, it was mentioned that we have a  
tutorial on our channel to make this  
amigurumi.
