Large strands (make 37)

1ss, BLO [54ch, in the 3rd beg (1hdc, 1inc hdc)x6, 40hdc, 1ss]x37

[link to video](#)

To achieve curls only at the ends and not throughout the strand, the result will depend on your weaving tension. If it doesn't turn out the way you want, try these adjustments:

1. Looser ends: Crochet the 54 chains with a larger hook (e.g. 3 mm) and the rest with the one indicated in the pattern.
2. More curls: Replace 1 dc and 1 dc inc (x6) with 12 dc increases at the beginning.
3. Less curls: Instead of 2 dc and 1 inc dc (x6), repeat only 4 times.

Note: Make the last slip stitch (sl st) in the same place you made the first one when you started the strands. Then, bring the strand back and secure it to the beginning of the magic ring (MR) with a knot.

TO JOIN THE HAIR CORRECTLY:

1. Pre-positioning: Use pins to position your hair before securing it. In this case, glue was used, but sewing it in will always be more secure.
 2. Hair Fixation:
 - Join the center of your hair to the top of your head, making sure to center the 5 smallest strands on your face.
 - The 37 largest strands are distributed in two layers:
 - First layer: Place one strand yes and another no.
 - Second layer: Fill in the remaining gaps. Before joining, make sure the first layer is fully set.
 - On the sides, use two overlapping strands to cover the top and behind the ear.
 3. Medium strand: Place it in the front, in front of the ear, leaving the tip free.
 4. Final adjustment: Use your fingers to shape the 5 smallest strands. Then, secure them with blindstitch using only two strands of the same yarn and a yarn needle, securing them at the front of your face and between them.
- ✦ For a better understanding, follow the step-by-step instructions in the video.

DRESS

Start using Pink yarn

Start with 1 slip knot

R1: 37ch, in the 2nd start (5sc, 1inc)x6 (42)

[link to video](#)

R2: turn, 42sc

R3: turn, [6sc, (inc: 1hdc, 1dc), 2ch, skip 10st, (inc: 1dc, 1hdc)]x2, 6sc (30)

R4-9: turn, 30sc Change to pink color (lighter)

[link to video](#)

Every time you need to make a color change, follow these steps:

- Finish the last stitch of the round and pull the yarn over slightly.
- Insert the hook through the center of the stitch, as shown in the image.
- Draw the new color and start the next round.
- Before finishing this round, pull the strand of the previous color and secure it to the new color with a simple knot.
- Leave the strands inside the piece so they become part of the filling.

I won't go into this explanation any further.

From now on, whenever you make a color change, do it this way with the corresponding colors.

SLEEVES (X2)

Use white color yarn

R30: 1ch, BLO 120hdc, 1ss (120)

R31: (2ch, 1hdc in the same base, skip 1st, 1ss)x60

[link to video](#)

Both sleeves are the same, the only difference is the starting point of each one:

- Left sleeve: Start at the base of the dc and ch increase you made in round 3 of the dress, making sure the increase is toward the back.
- Right sleeve: Start with the other increase, but this time with the one in front, on the right side of the dress.

To begin, pull out a loop and then continue knitting into the next stitch.

R1: 1inc, 1inc hdc, 6inc dc, 1inc hdc, 1inc, 1ss

R2: turn, 1dec, 1dec hdc, 6dec dc, 1dec hdc, 1dec

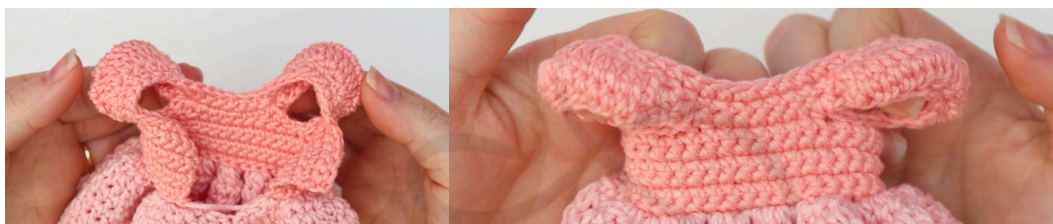

R3: turn, 18ss approximately.

Make an invisible closure using a wool needle.

Let me explain what a perfect closure is:

- After cutting the thread, pull it out and attach a tapestry needle.
- Skip a stitch and, in the next stitch, pass the tapestry needle under the chain that forms above the stitch.
- Then insert the tapestry needle just above the last stitch you made.

Whenever a perfect close is mentioned, follow these steps exactly.

1. Pre-alignment: Pin the piece before sewing.
 2. Starting Point: Start at the back, aligning the center of the pink piece with the center of the dress.
 3. End securing: Secures the edges of the piece to the front.
- ♥ For greater clarity, follow the step-by-step instructions in the video.

Using the lighter pink color yarn, work slip stitches around the entire top of the dress, taking up only the back strands.

Finish with 1 chain to secure and hide the strands.

[link to video](#)

Using short stitches on R1 and R2 of each sleeve, and using the same lighter pink, add these details to highlight the texture.

[link to video](#)

Add Velcro to the closure if you want it to be removable.

Otherwise, you can also sew it directly to attach it to the princess.

SHOES (X2)

Use Pink color yarn

Start with 1 slip knot

R1: 4ch, in the 2nd start (2sc, 1 triple inc) x2 (10)

Note: R1 is identical to R1 for the legs.

Mark the 4th chain from the beginning to make it easier to locate the second triple increase.

R4: BLO 28sc

R9: 2sc. 6dec, 14sc (22)

Make an invisible cast off and then repeat all rounds once more to knit the second shoe.

These shoes are custom-made, but they have a slight amount of give. Gently stretch them with your fingers and place them on the princess.
